

Merfin® helps you get the job done. We know a dirty work area or germ-infested surface isn't going to clean itself. When you're dealing with stubborn grease, germs, hard-to-clean streaks, or wiping up spills, Merfin® helps to make everything in your facility — work benches, counter tops, floors, equipment, hands included — look clean and fresh.

- It's more like a towel than a wipe
- Soft like cloth, low-linting and solvent resistant
- Superior absorbency and strength
- Reusable shop rag replacement
